

TO WHOMSOEVER IT MAY CONCERN

As on 20th July 2020, Toyota Financial Services India Ltd (TFSIN) confirms, two new cases of COVID-19 among its employees based in Bangalore, Karnataka. The said employees are currently quarantined and under treatment as advised by doctors. As per the information available with us, the employees last attended office on 1st and 8th July 2020 respectively, further disinfection of the affected work location has been carried out.

TFSIN has reported eight positive cases till date including the latest two cases. Of the eight positive cases so far, five employees have recovered and were reported negative in the subsequent tests. Of the five employees who tested negative three reported back to work and the other two are home quarantined.

Under the guidance and support of the national and local authorities, TFSIN is taking immediate and comprehensive action necessary to prevent any further spread and is taking adequate internal precautions based on our own guidelines and standards of care. To keep the premises of TFSIN offices safe, we have increased the frequency of sanitization and disinfection of all the company premises as well as all touchpoints. We would like to refrain from sharing further information as it is associated with identifying the individuals and data privacy. TFSIN will ensure that all its services are completely safe. We will continue to monitor the situation and take the necessary measures to safeguard the wellbeing and maintain the health and safety of all stakeholders.
