

TO WHOMSOEVER IT MAY CONCERN

"As on 6th July 2020, Toyota Financial Services India Ltd (TFSIN) confirms that, one employee based in Bangalore, Karnataka has tested positive for COVID-19. The said employee is currently quarantined at Government health centre in Bangalore. As per the information available with us, the employee has been working from home and not attended office since the 25th March 2020 and not in contact with any other TFSIN employees, customers and other members since then, thereby containing the risk of the infection being spread.

This is the fifth tested positive case as of today. The first two cases have tested negative and recovered fully and the other three cases are under quarantine and are recovering

Under the guidance and support of the national and local authorities, TFSIN is taking immediate and comprehensive action necessary to prevent any further spread and is taking adequate internal precautions based on our own guidelines and standards of care. To keep the premises of TFSIN offices safe, we have increased the frequency of sanitization and disinfecting of all the company premises as well as all touchpoints. We would like to refrain from sharing further information as it is associated with identifying the individual and data privacy. TFSIN will ensure that all its services are completely safe. We will continue to monitor the situation and take the necessary measures to safeguard the wellbeing and maintain the health and safety of all stakeholders."
